

Ferry Across

©2019 Linda Allen Key: A

A

Step into the boat

A

Lay back your head

A

Let the stars guide you

A

E

As they dance overhead

A

And we'll ferry across

D

Ferry across

A

We'll ferry across

E A

To the morning side

The road has been long

Maybe not what you'd planned

I've been waiting for you

With a welcoming hand CHORUS

I'll take you across

With a song and a prayer

So many are waiting

to welcome you there CHORUS
